UNSW Library online tutorials

The Library have provided online content to help new UNSW students learn how to make the most of the Library's many resources. Click on the headings below to get started.

[Getting Started with UNSW Library](#)

This whirlwind video tour tells you all you need to know to get started and connect with UNSW Library wherever you are.

Smart Searching with UNSW Library

Find it faster at UNSW Library. Learn how to use UNSW Library to save time and find all the books, e-books, journals, databases, course materials, exam papers and multimedia you need.

Plagiarism

Plagiarism is presenting another person's work or ideas as your own. Plagiarism is a serious breach of ethics at UNSW and is not taken lightly. So how do you avoid it?

Elise | Informing your studies quiz

It is a mandatory requirement for all commencing UNSW undergraduate students to complete the ELISE quiz by Week 3 of the student's first semester.

Completing the ELISE | Informing your studies tutorial and achieving a pass (80%) in the ELISE quiz, is mandatory for all new Undergraduate and Postgraduate students.

The quiz is available from Orientation week and we suggest completing it ASAP before your workload starts to increase. This will take you through a number of key skills and concepts that are crucial to academic study.

UNSW Essentials

UNSW Essentials is your online guide to your first semester. This series of online modules (covering study, planning, exams and more) is designed to assist your transition to UNSW and is available anytime.
