Enrol in your courses in myUNSW

Step-by-step guide to enrolling

To add courses (subjects), you will need to:

1. Sign on to my.unsw.edu.au

2. Click on your My Student Profile tab.

3. Select Update Your Enrolment option under the My Student Services menu.

Note: You may be requested to confirm your personal details. Please check that all the information is current.
4. Select **Update Your Enrolment** for the relevant semester.

5. Click on **Add Courses**.

6. Search for courses. If you know your course code (eg LAWS1021) then simply type the course code in the **Multiple Course(s)?** field, select **All** for **Campus** and **Career**. No other fields need to be completed.
7. Tick the box to **Add** your course and then Click **Continue**.

8. Click on **Proceed to Enrol**.
9. Click on **Add Classes** to select a lecture/tutorial/lab time and click **Continue**.

10. Click on **Enrol**.
11. Your course should now appear under **Enrolled Classes**. Repeat Steps 2 to 10 to add another course/s.
