Enrol in your courses in myUNSW

Step-by-step guide to enrolling

To add courses (subjects), you will need to:

1. Sign on to my.unsw.edu.au

2. Click on your My Student Profile tab.

3. Select Update Your Enrolment option under the My Student Services menu.

Note: You may be requested to confirm your personal details. Please check that all the information is current.

5. Click on ?Add Courses?.

6. Search for courses. If you know your course code (eg LAWS1021) then simply type the course code in the?Multiple Course(s)? field, select ?All? for ?Campus? and ?Career?. No other fields need to be completed.
7. Tick the box to **Add** your course and then Click **Continue**?

8. Click on **Proceed to Enrol**?
9. Click on **Add Classes** to select a lecture/tutorial/lab time and click **Continue**?

10. Click on **Enrol**?
11. Your course should now appear under **Enrolled Classes**. Repeat Steps 2 to 10 to add another course/s.
