Enrol in your courses in myUNSW

Step-by-step guide to enrolling

To add courses (subjects), you will need to:

1. Sign on to my.unsw.edu.au

2. Click on your ?My Student Profile? tab.

Note: You may be requested to confirm your personal details. Please check that all the information is current.
4. Select **Update Your Enrolment** for the relevant semester.

5. Click on **Add Courses**?

6. Search for courses. If you know your course code (eg LAWS1021) then simply type the course code in the **Multiple Course(s)**? field, select **All** for **Campus**? and **Career**?. No other fields need to be completed.
7. Tick the box to Add your course and then Click Continue.

8. Click on Proceed to Enrol?
9. Click on **Add Classes?** to select a lecture/tutorial/lab time and click **Continue?**

10. Click on **Enrol?**
11. Your course should now appear under "Enrolled Classes". Repeat Steps 2 to 10 to add another course/s.
