Non-Award & Cross-Institutional Students

How to accept or defer your offer

Accept Online

Accepting online is a 2 part-process

Part I: Accept or defer your offer in Accept Online to ensure your place in the program.

Part II: Confirm your personal details, complete the Financial and Student Declaration sections and enrol in your courses (lectures, tutorials etc.).

Non Award and Cross-Institutional students complete Part I (acceptance) and some sections of Part II, but do not enrol online. The Admissions Office liaises with Student Administration and Records to arrange your enrolment once you have completed Part I and Part II up to the Student Declaration and Confirmation.

Deadline

Accept your offer by the deadline stated in your offers detail in the Accept Online. If you do not accept or defer by the deadline date your offer may lapse.
