IT services

Setting you up online

The IT basics you need to know

Your student ID will be printed on your student ID card (e.g. z1234567).

You use this as your UNSW username with your zID and password to access online resources at UNSW.

Each student is automatically assigned a UNSW email address. You can login to your student email via Microsoft Online using your Username and password. For more information, visit the Cloud email service website.

On campus, students with laptops and mobile devices can access the free UniWide wireless service.

Need Help?

You may contact IT Services for technical support.

T: +61 2 9385 1333

E: Submit an enquiry

W: IT Services website.

Or visit Getting Started Services in the Library for face to face IT support

IT on campus

Use the checklist below to guide you in setting up your IT essentials.
